Who doesn't like an up-skirt shot when there are no panties involved? "I never wear knickers," Carli tells us. "I mean what's really the point of them, they just get in the way, don't they?" We really couldn't agree with you more Carli! "When I want to have an impromptu fuck I don't want anything to get in the way, I want easy access to any cocks, fingers or tongues that are laid out on a plate in front of me. At the very least I'll wear some crotchless knickers, maybe with some sexy fish neck stockings and a suspender belt!"

August

We can't work out if August is trying to be a high school cheerleader or someone who's turned up late for an 80's roller disco party! But at the end of the day who really cares what decade she's supposed to be in, her tits and vagina are all on display and that's what we (and we're sure you do too) care about! "I picked this little number up at a charity shop! I saw it in the window and knew that I just had to have it. I hope that the previous owner had as much fun as I'm going to have with it. My boyfriend is going to freak out when I parade around the bedroom in it tonight. I have no doubt that I'm going to be on the right end of a good hard leg trembling fucking!"

Hannah

PHOTOS: AFSC

OK so we're about to set a fire in the Paul Raymond offices if it means that Hannah is going to come running to save us with an axe in hand! Most firefighters are supposed to run drills and put their fire equipment on in a flash, but Hannah had other ideas when the alarms went off. I was already fully clothed in my fire gear, so when the sirens went off, I stripped naked while the firefighters frantically put their gear on. I knew it was just a drill and needless to say I put on a well-deserved smile on the firefighters faces. And being the good girl that I am I let a few of them give me a good drilling in their sleeping quarters later on that day! And boy did I enjoy playing with some large hoses!!!!

Valentina

Who would be so lucky to be invited to Valentina Vaughn's beach front property? Us, that's who!!!! We were so gutted when Valentina told us that she couldn't make it to our (freezing cold) studio that we packed up our bags and camera equipment and went to meet her, and boy we weren't disappointed! Valentina came up with the idea of shooting in her bathroom and using the mirror as the focal point for the magazine shoot. And who were we to argue when we were getting two Valentina's for the price of one! Never has a mirror looked so sexy. Not that we should compare it to the view that we get in the mirror when we come out of the shower every morning, who would want to see that! "I hope your readers enjoy my shoot, I can't wait for the next one, and who says that I don't want a glimpse in your mirror?"

We shot this photo set quite a while ago and it somehow slipped through the net before now. We're not sure how because it was one of our favourite shoots of the year! And there's no need to ask why, just look at the amazing photos and put yourself in our boots, being present while Rebecca stripped off out of the very few items of clothing that she was wearing. "I had a great time and can't wait to do it again!" Bex told us. And we can't wait to have her back either, the Summer does seem like a long way off right now though!

Victoria

We love tits over here at Club International magazine and we like girls with tats too! "Well, if you like my photos now you'll love the next lot I'm going to do for you! I'm going to get my back tattooed and I'm also going to get a couple of cup sizes bigger in the chest region too. I bet your readers are going to go crazy about getting a tit wank from my newly enhanced boobs, but until then they can get off on the thought of fucking my tight bum hole with their lubbed up cocks, hopefully this photo will give them something to think about!" We're looking at it right now and it's the only thing we can think about!

DISCREET CREDIT CARD PHONESEX. 100'S OF FILTHY SLUTS ARE WET & WAITING FOR YOUR CALL!

Unlike the other Paul Raymond magazines Club International is all about celebrating girls from all around the World, which sees us unselfishly travelling all over the globe for our art. Sadly for us that's exactly what we had to do in order to meet up with Taylor! "It's so great that you came all the way over to Greece to meet up with me, I really appreciate it!" Taylor gushed (and there was more gushing to come later on, and not from her mouth!). We explained that it was such a chore for us to hop on a plane to come and see her, and that it was all part of the job, hoping that she would reward us later on that evening. The things that we have to do, it's such a tough job!

Oh we do like to be beside the seaside, especially when we look up and see the likes of Roxy stripping off naked and making the most of the sunshine! "I have to admit I'm not overly shy about getting a full body tan when I sunbathe on the

balcony, and if I put on a display for the lads on the beach, then so be it. And if they were to turn up just as the sun is breaking they'd more than likely find me soaking myself in the sea in the buff, and there's nowhere else that I prefer to be fucked that in the sea!

How cute is Scarlet? "Guys are always shocked when I tell them how old I am, they tend to think I'm like only eighteen years old! "We're guessing you're older than that then? "Yes I am, and no, I'm not going to tell you exactly how old I am! I might look all young and innocent but I can assure you, and your readers, that I'm far from that. Behind this sweet persona is a filthy dirt bag who most of your readers would find too hot to handle!" We'd love to give you a try, maybe next time!
